ABOUT US.

Started as a family business in 1993, PT. Tinacokro Box holds a strong record in providing high-quality corrugated boxes. Our quality stood the test of time.

In the current generation, where ideas are spread and creativity is vastly shared, it is essential to be different. The demands for innovative packaging grows with time; We are dedicated to serve these demands by offering a diverse range of products to tailor a variety of applications.

At Custombox Indonesia, we believe that packaging is the ‘face’ of a product and an inseparable part of a product’s experience. With that principle, we are committed to delivering only the best.

VISION
MISSION.

01 Vision.

- To be Indonesia's most professional and innovative corrugated packaging supplier for middle to low volume by 2025.

02 Mission.

- To accelerate the transition of plastic based packaging to paper based packaging.
- To innovate and to provide solutions to Indonesia's growing packaging problems.
